

HEALTH CARE
AUTHORITY

New Mexico Health Care Authority- Security Access Form

INSTRUCTIONS

1. Employee Information

Input all of the following information: Name (last, first, MI), Job Title/Position Number, Work Phone, Work Location, Address, HCA-Assigned Email Address (if existing), SHARE Employee ID (if existing), and VPN access.

2. Contact Person

The Contact Person is the colleague responsible for requesting, modifying, and removing access permissions on behalf of the employee. Employees are not allowed to request access for themselves.

3. Computer Login & Email

Access to systems owned by other divisions requires approval from the respective Division Directors. Only DoIT staff, pre-approved employees, or contractors may access these systems. If VPN access is requested, the justification section must be completed and approved by the HSD CIO. Admin access requests must be approved by the CIO. All listed programs are intended for use by DoIT staff and contractors.

Note on Server/Drive Access:

When requesting drive access, please identify the drive as it appears on another user's computer. If necessary, include a screenshot of the drive listing. Simply providing a drive letter (e.g., "N:") is not sufficient to grant the requested access.

Mirror Access:

Please provide the username of a user who already has access to the shared resource.

4. Access Removal Request

Make the appropriate selection to determine the employee's status and specify what type of access removal is needed. For the removal of a network share, please provide the user's login (computer) name.

5. Employee Name Change

Please fill out all fields to ensure the correct user is selected for the name change.

6. Application Platform Request

Check the systems you are requesting access to.

NOTE: Access to certain systems is based on the employee's working title and division. Each division/bureau has employees with predefined access. Production Control has a list of working titles with defined access.

Website Access – Access to HSD web applications and other websites belonging to other agencies.

ASPEN / Yes NM – Access to ASPEN and the Yes New Mexico Portal. For proper ASPEN access, the employee's name, phone number, primary office, job title, gender, supervisor, and manager must be provided on the form.

7. HHS2020 and ECM Modules

Please refer to the Business Role Assignments for Job Roles Description to assist with the proper module selection. **Note that if typed text flows outside the text field, click on the field to enable the scrolling feature.**

8. Equipment and Software Requests

Please select what is needed and provide a signature if specialized software is required. Note that a DOIT code is required.

9. Agreements

Employees/Contractors must read the "Human Services Security Code of Conduct" and "Executive Branch Information Technology Resources" policies. By signing the security form, they acknowledge and understand the consequences of violating either policy.

10. Approvals

a. Print and sign your name in the fields provided.

b. Date the form when you sign it.

c. System access must be authorized by your direct supervisor. Certain access must also be approved by higher-level management. Include the name of the contact person to notify when Production Control has completed the request.

d. Title

e. E-mail Address

f. Phone Number

11. Business Process

a. The Security Access Form must be faxed or emailed to Production Support at 827-9416 or HCA-NetworkHelpDesk@hca.nm.gov. The form may also be completed or uploaded to the Cherwell Self-Service Portal, which will generate a ticket for Production Support.

b. Production Support will verify all appropriate signatures on the form.

c. To grant access to ASPEN, the form will be sent to the ASPEN Helpdesk via Cherwell for completion.

d. Production Support will grant the requested access. An email will be sent with all logins and the ASPEN ticket number.

EXECUTIVE BRANCH CODE OF CONDUCT Section 4 USE OF STATE INFORMATION TECHNOLOGY RESOURCES And HUMAN SERVICES CODE OF CONDUCT, Section 041.8 “DISCLOSURE OR MISUSE OF CONFIDENTIAL OR OFFICIAL INFORMATION”:

041.8.1 Prohibited by Law An employee may not disclose confidential or official information if the disclosure of such information is prohibited by law or regulation or would be contrary to the best interests of the department or its clients. This includes protected health information covered under HIPAA. This also includes confidential information from other governmental agencies.

041.8.2 Private Gain An employee may not disclose or misuse confidential or official information not generally available to the public, or acquired by virtue of his/her employment with HSD, for his/her own or another’s private gain. This includes any information regarding awarding contracts or grants by the department before the official release of such information.

I, the Employee/Contractor have read the HSD Code of Conduct Section 041.8 and the Executive Order, Code of Conduct Section 4 Use of State Information Technology Resources. I fully understand the terms of these policies and agree to abide by them. I realize that the Human Services Department’s security software may record for management use the internet address of any site that I visit and keep a record of any network activity in which I transmit or receive any kind of file. I know that any violation of this policy could lead to dismissal or criminal prosecution.

I, the Employee/Contractor understand that the Human Services Department’s electronic mail system is the Human Services Department and State property and intended to be used primarily for business purposes. I understand that excessive use of the E-mail system for the conduct of personal business is strictly prohibited. I acknowledge that any message I send or receive may be recorded and stored in an archive file for management use.

I, the Employee/Contractor understand that the Human Services Department reserves the right to access, review, and disclose information obtained through the E-mail system at any time, with or without advance notice to me and with or without my consent. I know that any violation of this policy could lead to dismissal or criminal prosecution.

I, the Employee/Contractor confirm that I have read the acknowledgement and have had an opportunity to ask questions about it. I also agree to abide by the terms of the HSD Code of Conduct and the Executive Branch Code of Conduct, Use of State Information Technology Resources. .

By signing this Security Request Form, the **Employee/Contractor** agrees to be held to the same standards as HSD Employees as per the HUMAN SERVICES SECURITY CODE OF CONDUCT, PARAGRAPH 041.8, “DISCLOSURE OR MISUSE OF CONFIDENTIAL OR OFFICIAL INFORMATION.” Signatures or references to Employee in this document will also refer or apply to HSD Contractors.
